This Is for You The Means of Grace

By Eric Venable

Paperback. Book Condition: New. Paperback. 96 pages. In forty brief devotionals, the authors make the case for the celebration of frequent Communion. Written in a pastoral tone, this book is a helpful teaching tool and an invigorating encouragement to reevaluate our conceptions of the Lords Supper. Pointed criticism of Protestant Evangelical America is not without warrant. It is a Church that has squandered great resources, capitulated to its culture, reenforced sheer moralism, encouraged self-help techniques, privatized spirituality, glamorized fleeting personalities, incited emotional sensationalism, revered a personal and experiential approach to Jesus, and sacrificed the offense of the Gospel for the mind-numbing sweetness of tolerant marketing. A corrective antidote is needed. The Sacrament of Communion is a vital part of such a remedy. The Reformed Church in America, too, has not weathered these destructive forces unscathed. Help is needed, and recovering the regularity of the means of grace is an urgent matter. In cumulation, these reflections offer a biblical, historical, and refreshing understanding to the Sacrament of Communion. Come, again, to the Table of our Lord. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
