*This book will never be easy to start on looking at but quite entertaining to read. It is actually packed with wisdom and knowledge. It is extremely difficult to leave it before concluding, once you begin to read the book.*

This book of devotions started out as an email. I had three reasons to begin. The first was to hold myself accountable to my morning devotions. Second was to keep myself on track. By sending my thoughts in an email to just a few friends I could make sure I wasn't veering off track. The third reason was the prayer that my devotional thoughts could inspire someone at some point in time. I began emailing my thoughts from doing my morning devotionals. After a few emails I started praying for God to give me insight and discernment. A short time later I began praying for words to write in my emails. It is my intent to have each devotional thought to be inspired by God, His words given to me to write. It is my prayer that whoever reads these devotional thoughts will benefit in some way from them. I pray that the Holy Spirit will touch anyone who reads these devotional thoughts. Thank you and be blessed by God.
