Building Ballet Technique: A Practical Teaching Guide for All Levels

By Marilyn Z Gaston

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.A very comprehensive and practical teaching guide for the novice-to-very experienced ballet teacher or studio owner, or any qualified professional wishing to enter the career, this book has a wealth of age-appropriate class material for all levels in 180 pages of teaching goals, lesson plans with specific exercises and activities, arranged by level of difficulty, in a progressive complete syllabus format that can be adapted to suit the needs of any teacher or studio. Beautiful color photos enhance and illustrate the content. Written in clear and concise language with use of correct ballet terminology, the volume is divided into four parts: (Teaching) Preschool, Beginner, Intermediate, Advanced and also Pre-Pointe and Pointe levels, with additional information to assist teachers in assessing or grading students, gauging student progress, and constructing a personalized curriculum. It would serve as a valuable textbook or reference book for any college dance pedagogy/education course, and prepare the transitioning professional dancer or dance major graduate with a practical guide towards becoming an effective and successful teacher. Additional topics covered include: preparation and tips for teachers, a...
