### **Reviews**

*Completely essential study publication. This is for anyone who statte that there was not a well worth reading through. I am very easily could get a satisfaction of reading through a written publication.*  
(Hallie Stanton)

## DERVISH IS DIGITAL

Tor Books, 2002. Soft cover. Book Condition: New. From Booklist Cadigan returns to characters from *Tea from an Empty Cup* (1998), primarily Dore Konstantine, a cop who heads a "techno crimes" unit whose other two members are usually out on loan to auto theft. The tale opens with Konstantine on the job, busting an arms dealer in AR (alternative reality). A roller-coaster ride begins when she gets a call from Ell, a high-profile fashion designer, who reports that her ex, Hasting Dervish, is stalking her online. Dervish, she says, is digital. Konstantine is naturally skeptical--after all, everything in AR is a lie. Then the disorientation induced by Lowdown Hong Kong casinos and other, seedier, parts of AR begins to change her mind. The beauty of Cadigan's yarn lies not in the solution to the crime but in the hallucinatory lunacy of its world, in which even genuine reality is rather surrealistic, particularly as far as Konstantine's claustrophobic ex-partner and his rooftop dwelling are concerned. Although Konstantine's realizations at the end may not satisfy, they are consistent with the fun-house quality of her detective work. Regina Schroeder Copyright © American Library Association. All rights reserved --This text refers to an out of print or unavailable edition of this title. Review "Her fiction is ambitious and brilliantly executed. Cadigan is a major talent." --William Gibson "Hacker fiction isn't exclusively a men's club, as Pat Cadigan demonstrates in novel after good novel." --Entertainment Weekly "A tightly plotted, crisply written novel that fits the classic noir mystery template set down by the likes of Raymond Chandler more comfortably than anything William Gibson has ever written." --Andrew Leonard, Salon Magazine Book Description Detective Lieutenant Dore Konstantin pursues criminals and identity crime in Artificial Reality. And shes come to realize: in Artificial Reality, its time to...
