Zevac & Lindsey, LLC. Paperback. Book Condition: New. Paperback. 78 pages. Dimensions: 8.5in. x 5.5in. x 0.2in. Heres a crazy idea for you: Learn just enough about taxes to ask the right questions. You might be wondering why Im in a straight jacket and why you should listen to a crazy idea from a guy like me. The answers are amazingly simple: (a) to get noticed, and (b) because I have 20 years experience as a CPA and 15 years before working in-the-trenches in the family business. Ive seen good years and lean years. There have been times when i sought professional help one year and tried to copy it the next, totally unaware of the changes that had occurred in the world around me. Because i hadnt kept up, I didnt even know the right questions to ask. Whether youre training for a marathon, landing the job of your dreams or closing a sale, youre not going to excel without being well prepared and fully informed. Well, the same holds true when managing and preparing your income taxes. Waiting until April 15th to put your financial house in order is a straight path to paying higher taxes. To manage your taxes and minimize your tax bill, you need to know the rules of the game, which are constantly changing. This little book is not intended to make you a tax expert. Its intended to give you little kernels of knowledge. Find something that might be applicable in your life and know what to ask your tax advisor. Written in plain English instead of Tax Mumbo-Jumbo, Crazy Little Shorts For These Taxing Times will help you better protect your familys financial interest. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
