

## The Professional Hunting and Taxidermy Handbook

By Kim J. Mikules

Trafford Publishing, Canada, 2006. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. With over thirty years of inside information, experience and knowledge, the author shares many timely secrets and methods of success between the covers. Starting with firearm safety and moving forward to the deeper and more specialized information that can be used by every hunter, taxidermist, guide and outfitter, trapper, wildlife and fur dealer and any person interested in the wise use of our natural resources. Even the Native American will find essential information useful for all tribes and cultures! Hunting, Laws and regulations, importing wildlife, choosing rifle calibers, reloading, field care, trophies, medical, survival, wildlife disease, taxidermy, buying and tanning skins and hides, formulas, cooking, tips and techniques, and much more is shared with the public. Never before has this specific knowledge been pulled together in print format. Everything is presented in easy learning informational blocks and topics. This book is worth many times the cover price and will make and save money for you in a variety of ways. The author does not shy away from the tough and even harsh questions and answers! You know what...

### Reviews

*Excellent electronic book and valuable one. We have read and so i am sure that i am going to likely to study again once more in the foreseeable future. I am just happy to inform you that here is the very best book i have read during my personal lifestyle and might be the greatest book for possibly.*

-- **Brendan Wuckert**

*This pdf is amazing. I actually have gone through and that i am sure that i will planning to read once again again in the future. You won't truly feel monotony at any moment of the time (that's what catalogs are for regarding when you request me).*
