Reviews

This pdf is definitely not easy to get started on studying but quite entertaining to read through. I am quite late in start reading this one, but better then never. Once you begin to read the book, it is extremely difficult to leave it before concluding.

BooCat Throws a Frisbee is the fourth in a series about a unique cat, however, BooCat takes things in a whole different direction this time. Previously, BooCat shared authorship with her real human in BooCat: Dancing Naked in the Rain and BooCat: Living in my Lap. However, in BooCat Throws a Frisbee she takes center stage and does not share authorship with anyone. The complete novel is presented through BooCat's eyes, rolling off her sarcastic but humorous tongue. Taking place in Louisiana, the story unfolds with BooCat relocated in a brand new household. Her new human and her human's elderly aunt find themselves enmeshed in one mystery after another. Between the three of them, just about everything comes to a satisfying conclusion. BooCat's human's Auntie is the epitome of pure Louisiana Southern, and Southern does not get much better than that. Can BooCat really throw a Frisbee? It is quite likely if she can take a fictional flight into feline fantasy, writing this fun novel all on her own, then she certainly can throw a Frisbee. As with the former BooCat books, BooCat Throws a Frisbee is a good read for the entire family.
