

Biggle's Poultry Book: A Concise and Practical Treatise on the Management of Farm Poultry

By Jacob Biggle

Skyhorse Publishing. Hardback. Book Condition: new. BRAND NEW, Biggle's Poultry Book: A Concise and Practical Treatise on the Management of Farm Poultry, Jacob Biggle, When Jacob Biggle first published his book on the management of poultry, there were more than three hundred million chickens and thirty million other domesticated fowl in the United States. Today, the trend continues with thousands if not millions of chickens and other fowl being raised in suburban and urban backyards across America. Biggle's aim was to "help farmers and villagers conduct the poultry business with pleasure and profit." To that end, this handy little volume contains all the information the reader needs to know, such as: the various breeds of chickens, turkeys, guinea fowl, ducks, geese, and pigeons; the most common diseases and enemies that threaten our feathered friends; raising hens expressly for eggs rather than meat; the farmer's flock versus the village henry; and the art of hatching eggs and caring for chicks. Written for the practical farmer who raises poultry and eggs for market, The Biggle Poultry Book will also appeal to collectors of farm ephemera and anyone else who is nostalgic for a simpler way of doing things. Illustrated with sixteen color...

Reviews

This book will never be straightforward to start on looking at but extremely exciting to read. I actually have read through and that i am sure that i am going to gonna go through once more again in the future. I am happy to explain how this is the very best book i have read through in my individual lifestyle and may be he best publication for at any time.

-- **Estrella Howe DVM**

Totally among the best publication I actually have actually go through. It can be filled with wisdom and knowledge Once you begin to read the book, it is extremely difficult to leave it before concluding.
