DB Publishing. Paperback. Book Condition: new. BRAND NEW, Return of the Vikings - from Administration to Rugby League's Top Tier. Widnes Rugby League Club, Mike Healing, This is the story of Widnes RLFC one of rugby's most famous clubs and how it survived administration and returned to Super League. Backed by the club and written by the official club statistician this will appeal to fans of the club and the wider rugby world. The club will use their website and other social media to generate interest in the book. The author contributes to the match day programme and is a committee member of the supporters club. He also has contacts at the local media - both print and radio. Having sunk into Administration in 2007 former World Club Champions Widnes Vikings, under the stewardship of new owner Steve O'Connor, rose phoenix-like to eventually re-gain their place in the top tier of the sport in 2012. Along the way they suffered rejection by the Rugby Football League in the sport's inaugural Licensing process in 2008, only to be successful three years later. Mike Healing's informative account of how the club turned that failure into success takes an in-depth look at the many changes taking place within the club as it was re-structured for success in addition to the new Licensing process. While the main focus is on the behind-the-scenes developments, the highs and lows of the on-field action, including the return to Super League in 2012, also receive detailed attention.
