Perfect Prey relates how author Liz Cole was victimized by an online career con artist and how she turned the tables to expose the con man on national television. Much of this book is written as a real time journal, taking readers inside the world of Liz Cole and her suitor, an ex-convict and predator. About the Author and Perfect Prey: Recently divorced, with low self-esteem, Liz Cole turned to online dating and met a charming Irishman in reality, a Quebec man with a criminal record who preyed on her and vanished. Cole then set out to track him down. She found past victims and learned of the man's lengthy periods of incarceration before finding and publicly humiliating him in a national TV confrontation, also featured on U.S. website Every year across North America an average 1.1 million people divorce. Many of these people join countless singles and also children in turning to the Internet for friendship, love and romance. But online con artists are finding fertile ground in attracting unsuspecting prey. The problem is only likely to get...
