Neuware - Please note that the content of this book primarily consists of articles available from Wikipedia or other free sources online. New Urbanism is an urban design movement, which promotes walkable neighborhoods that contain a range of housing and job types. It arose in the United States in the early 1980s and continues to reform many aspects of real estate development and urban planning. New Urbanism is strongly influenced by urban design standards prominent before the rise of the automobile and encompasses principles such as traditional neighborhood design (TND) and transit-oriented development (TOD). It is also closely related to Regionalism and Environmentalism. Market Street, downtown Celebration, Florida The organizing body for New Urbanism is the Congress for the New Urbanism, founded in 1993. 128 pp. Englisch.
