Pages Number: 0 Publisher: Central South University Press Pub. Date :2010-01-01 . electronic testing. simulation and production technology based on modern electronic products design. manufacture and commissioning process. a systematic introduction to MATLAB7.0. Workbench. Pspice and AgilentADS communication system design and simulation software in the application of electronic product design. From Protel99SE printed circuit board (PCB) process design staff around the electronic circuit design. PCB board easy making. hand soldering technology and system debugging techniques were described in detail. also will have to debug the application of instruments. meters feature and applications were discussed. of course. technology is inseparable from electronic measurement test the basic theory and basic methods. This is a principle of detailed electronic machine simulation technology. process design. product production technology and product content of the textbooks and other debugging techniques. For institutions engaged in electronic product development and production of the specialist students. particularly for National Undergraduate Electronic contests and Challenge Cup electronics production and commissioning. is also available in electronic product development and design engineers. skilled workers for reference. Contents: Chapter 1 1.1 Electronic Measurement Technology-based electronic measurement of the characteristics of the contents of electronic measuring 1.2 1.3 1.3.1 electronic method of measuring the circuit parameters of the basic components of the measurement voltage measurement 1.3.2 1.3.3 1.3.4 Level Measurement noise voltage measurement time and frequency measurement 1.3.5 Measurement Error Analysis 1.4 Overview 1.4.1 1.4.3 1.4.2 error classification method of measurement error that the handling of measurement 1.5 1.5.1 1.5.2 distribution of random errors system and elimination of errors to determine the gross error criterion 1.5.3 and 1.5.4 remove methods such as precision measurement error of the results of the processing steps...
