

Florence: Her History and Art to the Fall of the Republic (Classic Reprint)

Filesize: 3.55 MB

Reviews

An incredibly wonderful ebook with perfect and lucid explanations. I really could comprehend every little thing using this written e publication. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Tomas Flatley)

FLORENCE: HER HISTORY AND ART TO THE FALL OF THE REPUBLIC (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. abridged edition. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Florence: Her History and Art to the Fall of the Republic There are at present three histories of Florence written in English, very dissimilar, but all of considerable merit. Why then, it will naturally be asked, write a fourth? The answer is twofold. In the first place these three works are for the general reader, unless he wants to make of Florentine history a special study, too lengthy. The scholarly works of Professor Villari, comprising The Two First Centuries of Florentine History, The Life and Times of Savonarola, and The Life and Times of Machiavelli, were first given to the public in eight large volumes. Their number, it is true, by dint of smaller type and thinner paper, has since been reduced, but the text has not been abridged. The student, if he has time, cannot do better than digest them, for they are the product of years of learning and research, and they summarise, with much literary skill, a knowledge which probably no other living individual possesses. Napier s Florentine History (1846-7) covers a longer period, and runs into six closely printed volumes. It is a mine of information, but it is written in a singularly unattractive style, and it has no index. Trollope s History of the Commonwealth of Florence (1865), on the other hand, will be found pleasant reading enough, especially by those to whom a lightness of treatment, which sometimes verges on flippancy, is not an offence; but it also is lengthy, as it occupies four large volumes. In the second place all of these works have for the general public a graver defect. About the Publisher Forgotten Books...
