Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Silly Monkey is as an easy-to-read book for both preschool and school-aged children. It is a short book promoting good behavior. As a nanny, Rhoda Sye witnesses how subliminal messages and positive reinforcement encourage children of all ages. This short and sweet anytime story will be sure to win the audience's attention. Monkey knows how to behave, but he wants to know the reaction he'll get from doing things his way. How could anyone not think it's fun to be silly? This rhyming short story of a three-and-a-half-year-old Monkey offers a fun and subliminal lesson. Set in a toddler's typical day-morning routine, preschool, carpool, and so forth-Monkey figures out that the things his mommy and daddy teach him warrant a pleasant reaction from others, versus being silly. With repetitious use of the soft, endearing words Silly Monkey, young listeners and new talkers alike can memorize and repeat the words to help internalize the book's message.
