New Age International (P) Limited, 2014. Softcover. Book Condition: New. 5th or later edition. Delta's Key to the TOEFL iBT: Advanced Skill Practice is a comprehensive test preparation course for advanced and high-intermediate learners of English who are studying for the Test of English as a Foreign Language. The course format works very well in the classroom and for independent study. Ample practice builds the skills and confidence that are keys to success in an English-speaking environment. Since the introduction of the TOEFL iBT in 2005, there have been significant changes to some of the test questions, particularly the integrated writing and integrated speaking tasks. The new edition of Delta's Key reflects these changes with the addition of many new practice questions and updated strategies. All of the content in our new edition meets the current specifications of the Internet-based TOEFL (iBT). Features 35 units of study in reading, listening, speaking, and writing. Four full-length tests in TOEFL iBT format. 1,200 questions in the units, quizzes, and tests. Answer Key, audio script, and score charts. Abundant skill practice for 15 weeks of study. Nine hours of audio in Mp3 format included with the book. Printed Pages: 713.
